JSO Announces Their Annual Cosplay Cafe Event

Japanese Student Organization unveils their plans for their annual Halloween event

Stony Brook, NY: Today, Japanese Student Organization (JSO), a cultural organization focused on Japanese culture, announces the location, date, and details for their annual Halloween event, Cosplay Cafe. After a long break for this yearly tradition due to the pandemic last year, JSO is excited to reveal that the event will be making its return at the LDS Center, or Bauman C029 on the 26th of October from 7:00-10:00PM. The event has a theme of Nintendo and will have two sessions, each running around an hour and a half, that students can attend through RSVPing on SBEngaged.

Cosplay Cafe will be running many activities ranging from game booths, raffles, and performances from other cultural clubs. Although the exact details on the performance are unknown, in the past, major groups such as the KBS Dance Team, Taiko Tides, and more have performed. JSO will be serving free desserts and drinks as a part of the cafe pop culture that the event highlights. Guests are also encouraged to dress up and wear costumes to get in the spirit of cosplay and Halloween.

Cosplay Cafe 2018

With the unveiling of the event, JSO President Tyler Potter said, "I'm extremely excited that we're able to bring back Cosplay Cafe this year and we hope that everybody can have a good time at the event. This year we'll be putting in our all to make it the best Cosplay Cafe we've had yet, although it has been almost two years since our last one, our cabinet is just as thrilled as before to make sure everything goes smoothly. We hope to see many of you there."

About JSO: The Japanese Student Organization (JSO) is a cultural organization at Stony Brook University devoted to sharing and spreading Japanese culture on campus. The club hosts a variety of events based around different aspects of Japanese culture from Japanese New Years, Sports Day, Maturis (festivals) and more where students can learn about the culture, eat food, and meet new people.
